

Cookies Policy

We are required by the Nigeria Data Protection Act 2023 and other relevant laws to provide you with information about the purposes for which our cookies are stored and accessed and to obtain your consent to use cookies. Such consent will be obtained when you proactively indicate your acceptance of our terms and conditions, this privacy policy, and the use of cookies when you register for a service and/or by your browser settings and/or by you ticking the relevant box confirming that you understand and agree to the use of cookies.

Information about our use of Cookies

Our website uses 'cookies' to distinguish you from other users of our website. This helps us to provide you with good experience when you browse our website and allows us to improve our service. On revisiting our website, we will be able to obtain information about your previous visits and about your computer, including where your IP address, operating system, and browser type, for system administration are available and to report aggregated information to our advertisers; this is statistical data about our users' browsing actions and patterns and does not identify any individual.

A cookie is a small amount of data or parcels of text that is sent to your browser from a web server and stored on your computer's hard drive if you agree. Cookies contain information that is transferred to your computer's hard drive. They help us to improve our site and to deliver a better and more personalized service. They enable us to:

- Estimate our audience size and usage pattern.
- Store information about your preferences, and so allow us to customize our site according to your individual interests.
- Speed up your searches and recognize you when you return to our site.
- Generally, it provides a more convenient browsing experience for you.

You may refuse to accept cookies by activating the setting on your browser which allows you to refuse the setting of cookies. However, if you select this setting, you may be unable to access certain parts of our site. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies when you log on to our site.

The use of cookies enables the Website to complete in our login fields with user's details including email addresses following registration and effectively speed up the login to the Website by users.

The following cookies are set automatically when you visit the Website:

Cookie Name	Domain	Description
Utma, utmb, utmc by google	[[••].com]	We use Google Analytics which sets a cookie for the purpose of anonymously identifying when users return to specific websites. The information is used by Google to store a history of website pages visited by a user each time.
twitter, facebook, instagaram and LinkedIn share button	[twitter.com] [facebook.com] [Instgaram.com] [LinkedIn.com]	We use the twitter, Facebook, Instagram and LinkedIn share button on our website and it is hosted on twitter.com, Facebook.com, Instgaram.com and LinkedIn.com respectively. Your browser sends the relevant cookie data to these websites when creating the button inside your browser.
