1.0 EXECUTIVE SUMMARY

Whistle blowing refers to the practice of reporting wrongdoing or unethical behaviour in an organization. The purpose of the whistle blowing program is to encourage employees to disclose any malpractice or misconduct which they observe. The Whistle Blowing Policy is primarily for concerns where the interest of the Bank or its stakeholders is at stake. The policy is therefore fundamental to the bank's professional integrity. In addition, it reinforces the value the bank places on staff to be honest and respected members of their individual professions. More so, it is important to note that employees who report allegations of malpractice will be protected as confidentiality is key to the effective implementation of a whistle blowing program.

2.0 INTRODUCTION

Whistle blowing refers to the practice of reporting wrongdoing or unethical behaviour in an organization. The purpose of the whistle blowing program is to encourage employees to disclose any malpractice or misconduct which they observe. More so, it is important to note that employees who report allegations of malpractice will be protected as confidentiality is key to the effective implementation of a whistle blowing program.

The Whistle Blowing Policy is primarily for concerns where the interest of the Bank or its stakeholders is at stake. The policy is therefore fundamental to the bank's professional integrity. In addition, it reinforces the value the bank places on staff to be honest and respected members of their individual professions. It provides a method of properly addressing bona fide concerns that individuals within the firm might have, while also offering whistleblowers protection from victimization, harassment, or disciplinary proceedings.

All employees are encouraged to raise genuine concerns about misconduct, malpractices, and unethical behavior at the earliest opportunity and in an appropriate way.

Access Bank has outsourced the complaint mechanism of the whistle blowing program to DELOITTE. The benefit of this is to engage an independent consultant so as to assure employees of confidentiality and protection from possible reprisal.

7.1 Whistleblowing Procedure

The whistleblowing procedure involves steps that should be taken by the whistleblower in reporting misconduct, and steps required for the investigation of the reported misconduct. The whistleblowing process will be guided by the following procedures:

7.2 Outsourced Whistleblowing Platform managed by Deloitte

To assure all Access Bank stakeholders of the confidentiality and anonymity of reported concerns, Access Bank also maintains an outsourced whistleblowing service managed by an independent party, Deloitte. This platform provided by Deloitte for raising concerns is branded Deloitte Tip-offs Anonymous (TOA). All whistleblowing reports should be made using any of the Deloitte TOA reporting channels (**see Appendix I**).

Before making a tip-off (report of alleged misconduct), it is important to obtain as much relevant information as possible, as the whistleblower would be requested to provide relevant information (**see Appendix I**).

7.3 Whistleblower Identity Options

There are three (3) options to choose from in protecting your identity as a whistleblower. This comprises Completely Anonymous, Partially Anonymous and Confidential Disclosure. Deloitte encourages whistleblowers to select either option of 'partially anonymous' or

confidential disclosure', to afford Access Bank sufficient information to better handle your concern. All whistleblower reports are handled confidentially.

7.4 Completely Anonymous

A Whistleblower who selects the completely anonymous option, will not be required to supply his/her name or any information that might reveal the whistleblower's identity. Consequently, the details of the whistleblower are unknown to either Deloitte or Access Bank. However, Deloitte TOA will be unable to contact the whistleblower for more information on behalf of Access Bank if further information about the whistleblower's reported concern is required.

7.5 Partially Anonymous

A Whistleblower who selects the partially anonymous option will be required to disclose his/her personal details to Deloitte only. Deloitte Tip-offs Anonymous contact centre manages this reporting facility. The whistleblower's personal details would not be divulged to Access Bank. If further information about the whistleblower's reported concern is required, the Deloitte Tip-offs Anonymous contact centre will contact the whistleblower.

7.6 Confidential Disclosure

A Whistleblower who selects the confidential disclosure option will be required to disclose his/her personal details to Deloitte and Access Bank. The whistleblower's name and contact details would be known to the Deloitte Tip-offs Anonymous contact centre, Access Bank and the investigators that will conduct the investigation.

7.7 Subsequent Action

Upon receipt of a report, via any of the TOA reporting channels, Deloitte transmits the report to the designated recipient(s) within Access Bank (see Appendix III) for an investigation to be conducted. Deloitte will send each TOA report to designated officers usually within 24 hours of receiving an incident reported by a stakeholder. Public holidays, weekends, and events/circumstances beyond the control of Deloitte (such as strikes, riots and other force majeure) are excluded from the 24 hours timeline within which reports are required to be submitted to the Company.

7.8 Feedback to Whistleblower

Feedback will be provided by Access Bank to Deloitte Tip-offs Anonymous after investigation and subsequently transmitted to the whistleblower through the initial channel of submission, upon the request of the Whistleblower (**see Appendix II**). Deloitte would immediately acknowledge receipt of any reported concern by a whistleblower. However, feedback on the outcome of any reported concern would be dependent on the Bank time to completion of its internal investigations.

7.9 Applicability

This policy applies to all Board Directors and employees of the Company who may have a complaint which they wish to have addressed but feel the complaint is so serious or is of such confidential nature that it cannot be discussed with the Line Manager, Head of Department or HR Manager.

In addition, anyone outside the Company who believes that there is a "reportable act" that should be brought to the attention Access Bank, should follow the procedure outlined in this policy. Likewise, any other conduct that is likely to cause financial or non-financial loss

to the Company and/or brand and reputation, or otherwise be detrimental to the interests of the Company.

9.0 Recipient of Whistleblowing Report & Frequency

Whistleblowing reports received by DELOITTE are sent to five dedicated recipients in **Appendix III**. Whether the whistle blower discloses his/her identity, DELOITTE will not provide any indication of the whistle blower's identity to Access Bank except DELOITTE has a written consent from the whistle blower to provide his/her identity to Access Bank.

Where DELOITTE or the whistle blower want information on an outcome of investigation, such information should be provided, as it is also important for whistle blower to be aware that an action is being taken on the incident reported.

Where there is no case to a claim raised by a whistleblower, or it is clear that the person making such claim acted in good faith, the Chief Internal Auditor shall ensure that the person suffers no reprisal.
